

# CARGO HANDLING

EASY MAINTENANCE AND LOADING

# EASY COME, EASY GO

## **Par-Kan's Cargo Handling Equipment is streamlined for easy loading and easy maintenance.**

The drop in Caster and Roller Deck option was designed with the handler in mind. The drop in caster design allows for safe and easy loading from any direction and keeps maintenance costs down. For over 25 years Par-Kan has offered the best quality, service, and delivery in the industry. Please visit our website at [www.Par-Kan.com](http://www.Par-Kan.com) for our full Ground Support Equipment product offering.

### **VERSATILITY AND PROFITABILITY**

Par-Kan Cargo Handling equipment has features for ease of everyday use. Our rugged dollies were designed to allow for more efficient operations and less down time, saving you time and money.

### **DURABILITY**

Par-Kan's solid reputation rides on each dolly we sell. A reputation for overbuilding means a wise investment down the road.

# CARGO HANDLING

# SPECIFICATIONS

Par-Kan Company offers a wide range of both container and pallet dollies to suit your operational needs. All container and pallet dollies can be configured for side or end loading with a roller or caster deck. Each dolly features heavy duty pallet stops and VR locks. An ergonomic torsion relief tow bar with tow bar activated braking system comes standard with each dolly as well as our superior powder coat finish.
